SUBJECT: Structure Fire – 28W470 Townline Rd, Warrenville IL
PAGES: 2

The Warrenville Fire Protection District responded to a reported structure fire, reported by the residents, shortly after 7:15 last evening. Upon arrival, Warrenville AC12 reported a confirmed fire, which began on the exterior of the home, and traveled up to the roof due to high winds.

Warrenville Fire Department battled the blaze for a little over two hours and was assisted by Wheaton, West Chicago, Lisle-Woodridge, Winfield, and Naperville fire departments.

Moderate damage was sustained as the fire travelled up and into the attic space. All the residents were accounted for, and two people were treated by Warrenville Paramedics. One resident was treated and released, and one Firefighter was treated for mild heat exhaustion and transported to the hospital by Lisle Paramedics.

The fire is currently under investigation by Warrenville Fire Investigators, and the fire is listed currently as undetermined.
