

ORDINANCE NO. 00-02

**WARRENVILLE FIRE PROTECTION DISTRICT  
SPILLER PAYS ORDINANCE**

**BE IT ORDAINED** by the Board of Trustees of the Warrenville Fire Protection District (hereinafter referred to as "WFPD") as follows:

**SECTION 1:** This Ordinance supersedes any and all previous ordinances which may conflict with the provision contained herein.

**SECTION 2: DEFINITIONS:** As used in this Ordinance, the following terms shall have the following meanings:

**COSTS:** All expenses incurred by the WFPD for any removal or remedial action.

**FACILITY:** Any building, structure, installation, equipment, pipe or pipeline including but not limited to any pipe into a sewer or publicly owned treatment works, well, pond, lagoon, impoundment, ditch, landfill, storage container, tank, motor vehicle, truck trailer, rolling stock or aircraft. Also, any site or area where a hazardous material has been deposited, stored, disposed of, abandoned, placed, or otherwise come to be located.

**HAZARDOUS MATERIALS:** Any material, substance or mixture of materials or substances which are toxic, flammable, corrosive, explosive, carcinogenic or radioactive including, but not limited to, any substance or material which is designated a hazardous material pursuant to the "Hazardous Materials Transportation Act" (49 U.S.C.A., sections 1801, et seq.) in a quantity and form which may pose a substantial present or potential hazard to human health, property or the environment when improperly released, treated, stored, transported, disposed of, or otherwise managed.

**MUTUAL AID:** Any action taken by the Warrenville Fire Protection District pursuant to an intergovernmental agreement.

**PERSON:** Any individual, business, firm, partnership, corporation, association, trust, estate, joint venture or other legal entity, or their legal representative, agent or assign.

**RELEASE:** Any spilling, leaking, pumping, pouring, emitting, escaping, emptying, discharging, injecting, leaching, dumping or disposing of a hazardous material into or on any land, air, water, well, stream, sewer or pipe so that such hazardous material or any constituent thereof may enter the environment.

**REMEDIAL ACTION:** Any action consistent with permanent, remedy taken instead of, or in addition to, removal actions in the event of a release or threatened release of a hazardous material into the environment, to prevent or minimize the release of hazardous materials so that they do not migrate to cause a substantial present or potential hazard to human health, property or the environment. The term includes, but is not limited to, such actions at the location of the release as storage, confinement, perimeter protection using dikes, trenches, or ditches, clay cover, neutralization, cleanup of released hazardous materials or contaminated materials, recycling or reuse, diversion, destruction, segregation of reactive wastes, repair or replacement of leaking containers, collection of leachate and runoff, onsite treatment or incineration, provision of alternate water supplies, and any monitoring reasonably required to assure that such actions protect the public health and welfare and the environment.

**REMOVAL:** The cleanup or removal of released hazardous materials from the environment, such actions as may be necessary or appropriate to monitor, assess, and evaluate the release or threat of release of hazardous materials, the disposal of removed material, or the taking of such action as may be necessary to prevent, minimize, or mitigate damage to the public health or welfare of the environment. The term includes, but is not limited to, security fencing, provision of alternative water supplies, and temporary evacuation of threatened individuals.

**RESPONSE:** Any removal or remedial action.

**SECTION 3: PROHIBITED ACTS:** No person shall cause, threaten or allow the release of hazardous materials into the environment unless such release is in accordance with an appropriate permit granted by the Illinois Environmental Protection Agency or other State or Federal agency having primary jurisdiction over the release and such release is in such place and manner as will not create a substantial present or potential hazard to human health, property or the environment.

**SECTION 4: RESPONSE AUTHORITY:**

A. The Fire Chief or his authorized representative shall have authority to respond to any release or threatened release of hazardous materials within the WFPD or affecting the public water supply, wells or sewage treatment works located within the WFPD. This authority includes, but is not limited to, remedial action and removal.

B. The Fire Chief shall have primary authority to respond to any release or threatened release of hazardous materials as described above. The Fire Chief shall report any release or threatened release of hazardous materials to all appropriate Federal, State and local public health, safety and emergency agencies within twenty-four (24) hours of any substantial release of hazardous materials. The Fire Chief shall relinquish his response authority at such time, if any, as the Federal, State or local public health, safety or emergency agency having primary jurisdiction over the release or threatened release has assumed responsibility for response to the release or threatened release.

C. The Fire Chief, during such time as response authority is vested in him, shall be authorized to utilize all District personnel and equipment and he may, in his sole discretion, take such remedial or removal action as he may deem necessary or appropriate to respond to the release or threatened release of hazardous material including the use of material and in accordance with any Mutual Aid Box Alarm System ("MABAS") agreements.

D. All responding personnel shall cooperate with and operate under the direction of the Fire Chief or other person then exercising response authority under this ordinance until such time as the person exercising such response authority has determined that the response is complete or responsibility for response is assumed by the Federal, State or local public health, safety or emergency agency having primary jurisdiction over the release or threatened release

E. The person exercising response authority under this ordinance shall coordinate and/or cooperate with other Federal, State or local public health, safety or emergency agencies involved in response to the release or threatened release of hazardous materials.

**SECTION 5: LIABILITY FOR COSTS:**

A. Notwithstanding any other provision or rule of law, and subject only to the defenses set forth in Section 5 hereof, the following persons shall be jointly and severally liable for all costs of removal and remedial action incurred by the WFPD as a result of a release or threatened release of a hazardous material:

1. The owner and operator of a facility or vessel from which there is a release or substantial threat of release of a hazardous material.
2. Any person who, at the time of disposal, transport, storage or treatment of a hazardous material, owned or operated the facility or vessel used for such disposal, transport, treatment or storage from which there was a release or substantial threat of a release of any such hazardous material.
3. Any person who by contract, agreement, or otherwise has arranged with another party or entity for transport, storage, disposal or treatment of hazardous materials owned, controlled or possessed by such person at a facility owned or operated by another party or entity from which facility there is a release or substantial threat of a release of such hazardous materials.
4. Any person who accepts or accepted any hazardous materials for transport to disposal, storage or treatment facilities or sites from which there is a release or a substantial threat of release of such hazardous substances.

**SECTION 6: DEFENSES:** There shall be no liability under Section 4 hereof for a person otherwise liable who can establish by a preponderance of the evidence that the release or substantial threat of release of a hazardous material and the damages resulting there from were caused solely by:

- A. An act of nature over which he or she had no control;
- B. An act of war; or
- C. Any combination of the foregoing.

**SECTION 7: COSTS AND PENALTIES:**

A. Any person who is liable for the release or threatened release of a hazardous material who fails without sufficient cause to pay for or provide removal or remedial action upon or in accordance with a notice and request of WFPD, or in accordance with any order of any court having jurisdiction on the matter, shall be liable to the WFPD for any costs incurred by the WFPD as a result of such failure to provide or take such removal or remedial action, together with the cost of any removal or remedial action taken by the WFPD in accordance with the ordinance, and all attorneys fees and related legal costs incurred in connection therewith.

B. In addition, any such person shall be guilty of a violation of this ordinance and shall be fined not less than one hundred dollars (\$100.00) nor more than one thousand dollars (\$1,000.00) for each offense. A separate offense shall be deemed committed for each day on which a violation occurs or continues. Where such violation is found to be the result of willful and/or wanton conduct or gross negligence, or the person committing such violation attempts to evade responsibility hereunder by leaving the scene of the occurrence or by other means, that person shall be subject to a fine as provided for above or a fine in an amount equal to three times the costs, including attorneys' fees and legal costs, for which it is liable under Paragraph A, whichever is greater.

C. Charges for removal or remedial action when rendered by the Warrenville Fire Protection District or any agency in accordance with any mutual aid agreement shall be as follows:

- 1) The cost of vehicles as determined by the responding agency, but in no case less than \$125.00 per hour per vehicle, and
- 2) The cost of all personnel including any over time cost to the Warrenville Fire Protection District or to any responding agency, incurred as a result of the removal or remedial action, but in no case less than \$35.00 per hour, and

- 3) The cost of all materials and equipment used, expended, depleted, destroyed or removed from service in accordance with federal, state or local ordinance as a result of the mitigation or containment operations if or at the request of the Warrenville Fire Protection District or any responding agency, and
- 4) The costs of service and/or goods provided by a private or public entity which are used, expended, depleted or destroyed as a result of the response.

**SECTION 8: METHODOLOGY**

A. The Warrenville Fire Protection District shall prepare and forward to the person causing or permitting a hazardous material incident a bill for the total costs and expenses incurred for which such person or persons are responsible pursuant to this Section; provided, however, any cost in connection with any independent cleanup contractor shall be billed directly by such contractor. Payment of the total bill shall be made within thirty (30) days of the receipt. Any bill or portion of a bill remaining unpaid after thirty (30) days of receipt shall accrue interest on the unpaid balance at the rate of 1-1/2% per month, or fraction of a month.

ADOPTED BY THE BOARD OF TRUSTEES of the Warrenville Fire Protection District  
 this 14<sup>th</sup> day of February 2000, on roll call vote as follows:
