BE IT ORDAINED by the Board of Trustees of the Warrenville Fire Protection District as follows:

Section 1. It shall be unlawful for any corporation, company or association, not incorporated under the laws of the State of Illinois, to engage in the District, in effecting fire insurance, or to transact any business of fire insurance in the District, while in default by not fully complying with any of the requirements of this Ordinance, and until such requirements shall have been fully complied with, but this provision shall not relieve any company, corporation or association from payment of any risk that may be undertaken in violation of this Ordinance.

Such agent shall also at the time of rendering the aforesaid report, pay to the Secretary of the District the sum of money for which each such company, corporation or association, represented by him is chargeable, by virtue of the provisions of this Ordinance.

Section 4. Nothing in this section shall be held to exempt any person, corporation, company or association from indictment and conviction under the provisions of an act entitled "An Act to enable cities, towns, villages and fire protection districts, organized under any general or special law to levy and collect a tax or license fee from foreign fire insurance companies for the benefit of organized fire departments", in force July 1, 1895, as amended.

Section 5. No insurance agent in the District shall do any insurance business or dealings with any company, associate or corporation not incorporated under the laws of this State, which shall be in default for not reporting or making payments as hereinbefore provided, until it shall have complied with all the requirements of this Ordinance.
